

CAPE CORAL
MUSEUM OF HISTORY

Interested in donating an item to the Museum?

To donate an item(s) please email a photograph of each item along with a description to admin@capecoralhistoricalmuseum.org or make an appointment with staff by calling 239-772-7037. When emailing, please try to give as much information as possible, including measurements if the item is larger.

Please Note:

- **We cannot always accommodate walk-ins.** Appointments are recommended, especially between November and March.
- **All items are evaluated for relevance to our mission statement and acquisition policy, duplication of an object already in the collection, and ability to safely store and preserve items for future generations.**
- **Donors must affirm that they own the object(s) and all rights, titles, and interests in it.** Items are donated with all inherent rights and interests to the Cape Coral Historical Society, Inc., without restrictions as to its use or disposition. Items may be used by the museum for exhibition, as reference material, or for educational purposes. A signed deed of gift will be provided once items are approved.
- **We are not responsible for the safety of items left on the porch.** Complete contact information is required for each donation so that proper documentation can be filled out.

Our Vision:

We envision a center to engage and inspire a stronger community with greater social connection through honoring and promoting the history, culture and unique character of Cape Coral.

Our Mission:

We welcome all generations to share the unique history of Cape Coral and Southwest Florida through our collections, exhibitions, educational initiatives, programs and research.

Acquisition Policy:

The Cape Coral Historical Society and Museum collects material related to the history of Southwest Florida with emphasis on Cape Coral history, including material which can be used for interpretation of the history of the area.
